FILLING IN THE BLANKS - A YEAR IN REVIEW 2024

Thank you for your support of Filling in the Blanks! We wanted to take this opportunity to share what we have been able to accomplish together this past year.

We're so grateful for the impact we've made together — thanks to your support. In 2024, Filling in the Blanks continued to grow, reaching more children and families than ever before. This was only possible because of you—our dedicated donors, volunteers, and community partners.

Childhood food insecurity remains a pressing issue, but thanks to your unwavering support, we were able to provide over ONE Million weekend meals, expand our Fresh Food on the Move mobile pantry, and build meaningful partnerships that bring health and wellness services directly to those who need it most. Each meal we provide is more than just food—it's hope, security, and a step toward a brighter future for the children we serve.

This year also marked exciting new milestones. Our team worked tirelessly to expand our reach to serve every school in Bridgeport, Norwalk and Stamford, added a Bridgeport site to our Fresh Food on the Move Mobile Pantry, and partnered with UCONN Stamford's on Campus Pantry. We have seen firsthand the difference that consistent, nutritious meals make in the lives of children and their families, and we are more committed than ever to expanding our reach.

Looking ahead, we know there is still much work to do. The need continues to grow, and with your continued support, we will rise to meet it. Together, we can fill in the blanks for even more children in 2025 and beyond.

Thank you for being a part of this journey. Your generosity fuels our mission, and we are deeply grateful to have you by our side.

With Gratitude,

Shawnee Knight, Co-Director

Tina Kramer, Co-Director

In 2024 we served 186 schools and
28 after school programs

FITB's programs are at every school in
Bridgeport, Norwalk, and Stamford

Meals We Served

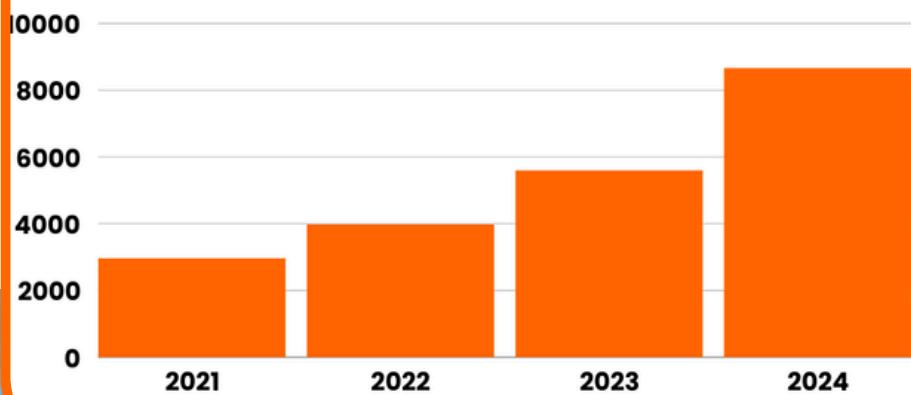

While children qualify for free or reduced-price lunch programs, their need extends beyond school hours – to weekends, holidays, and summer months. Families struggling to feed their kids often forgo other basic needs to close the gap.

Since 2013 we have provided children in need with easy-to-prepare, non-perishable, and nutritious food for the weekend. Not just during the school year, but all summer, too.

We are intentional about the food we provide, and rotate through three different menus to ensure variety.

NUMBER OF CHILDREN SERVED SINCE 2021

INCREASE OF 191% IN 4 YEARS.

Our Impact

Families and teachers have seen our impact on children.

77%

of families say the whole family benefitted from the weekend meal bag

81%

of families say the weekend meal bag decreased stress in the household

52%

of teachers reported a decrease in hunger symptoms amongst their students

Fresh Food on the Move Mobile Pantry

The Fresh Food on the Move Mobile Pantry launched in October of 2023. It complements the weekend meal program, providing fresh fruits and vegetables, grains, proteins, dairy products, and hygiene items.

Each month, the Mobile Pantry rolls into **Norwalk, Stamford, and now Bridgeport**, bringing fresh, nutritious food straight to the heart of local neighborhoods. By showing up where families live, the program fuels healthier meals and makes it easier than ever to access the wholesome options everyone deserves.

The mobile pantry goes beyond providing quality food—it's a **trusted source for nourishment and support**, serving as a community hub that offers health and wellness services for the entire family.

In 2024, our Fresh Food on the Move Mobile Pantry distributed 698,000 pounds of fresh food to 12,150 families.

Legal Services

CT Legal Services

“While working at their weekend mobile food pantry distributions, we handed out more than 115,000 diapers and 3,000 packages of wipes in 2024. Their distribution network and mobile pantries not only provide efficient and effective ways to reach families where they need help, but they also strengthen our communities and build ties among organizations, families, volunteers and neighbors. We are so grateful for Filling in the Blanks”

- Karen Giannuzzi Founder Mothers for Others

Launch of the UCONN Stamford Partnership

In September of 2024, Filling in the Blanks partnered with Husky Harvest Food Pantry at UCONN Stamford to ensure students have access to much needed nutrition.

A UCONN student survey found 38% of students faced food insecurity, while about 30% reported skipping meals to save money across each campus.

90 students signed up in the first month. Donate today to support this exciting new partnership and our commitment to providing \$30,000 of food for 2024, 2025, and 2026.

“Partnering with Filling in the Blanks has created an opportunity for our students to significantly help ease their worries about food insecurity. The ability for them to come into the Stamford Husky Harvest and “shop” for food items to help support them in an already stressful time in their lives, gives them peace of mind knowing they’ll be able to eat that week.”

- Rosa Rizzo, UCONN University Specialist, Campus Operations

Volunteer Impact

At FITB, we rely not only on generous donations but also the dedication of thousands of volunteers who give their time, energy, and talents to support our mission.

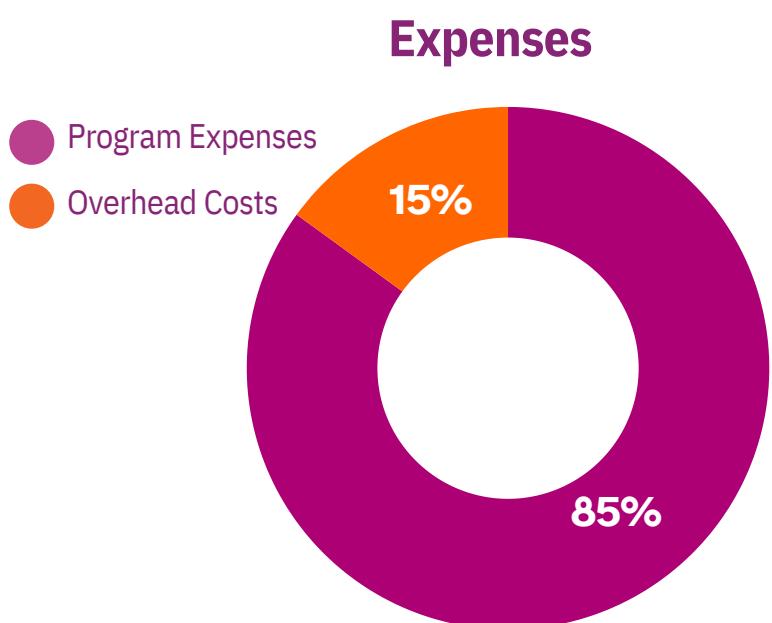

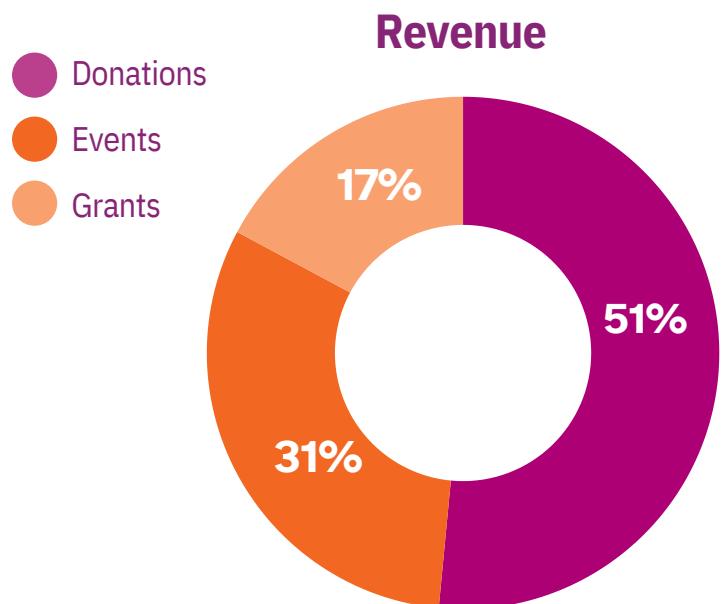

Whether packing weekend meal bags, distributing food at our mobile pantry, or serving on our leadership committee, their efforts help provide nutritious meals to children facing food insecurity.

In 2024 FITB welcomed over 13,000 volunteers, who collectively logged 16,000 hours of service.

Expenses and Revenue

Our largest expense, by far, is our food program. We are funded primarily by individual donors, corporate sponsors and grants.

Filling in the Blanks Purchases 99% of our food delivered
In 2024 that equaled just over \$2M

Ways to Give

Join us in fighting childhood hunger

This last year was tough, but our community is tougher.

With your help, families across CT and NY have felt immediate relief from hunger as we expanded our reach to new public schools. Food insecurity takes a physical, mental, and emotional toll, and your support helps kids feel like kids again.

Join us, fight childhood hunger, and bring relief to these families that need us now.

“First, thank you for the countless hours assembling and carefully delivering these bags week after week. Our family of 10 greatly appreciates all your hard work and sacrifice. Second, keep up the great and amazing work. You are seen and valued and without you my family would struggle to eat over the weekends.” - Family in our Program
